

Forecast For Wales
Issued by Met Office Exeter
at 1600 on Tuesday 17 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:

A damp night leading to a dryer Wednesday.

This Evening and Tonight:

Occasional light rain and drizzle continues into the evening before becoming more widespread across the country into the early hours. Low cloud prevails and winds ease, with temperatures holding up. Minimum temperature 14 deg C (57 deg F).

Wednesday:

Overnight rain and drizzle gradually ease, leading to a dryer day for many. Some drizzle remains in the north and west of the country, particularly near higher ground. Maximum temperature 19 deg C (66 deg F).

Outlook for Thursday to Saturday:

Occasional rain or showers, perhaps heavy at times, on Thursday. Mostly dry on Friday before turning much more unsettled into the weekend.
